

1st International
Academia
Partnership
Platform
(1st AUT_InAPP)

**October
5 to 7th
2018**

In the past years, Amirkabir University of Technology (AUT) has devoted an ever-increasing effort in expanding its cooperative actions with its strategic partners in different countries. Creating a network among researchers and faculty members is of top priority and one of the most effective ways of building this network is through workshops.

Amirkabir

University of Technology
(Tehran Polytechnic)

Amirkabir University of Technology (AUT), formerly known as Tehran Polytechnic, is the first established and top technical school in Iran which has contributed greatly to the country's development and success.

Following our interest and success in establishing scientific collaboration, we are pleased to announce that AUT will be running a workshop from October 5th to 7th, 2018. This partnership workshop, being the first of many to come, will be focusing in the following fields:

- 1) Bio Tech and Health
- 2) Renewable Energy
- 3) Materials
- 4) Oil and Gas
- 5) Nano Tech
- 6) Internet of Things and Big Data
- 7) Water Resource Management
- 8) Pollution & Dust Storm Management
- 9) Automotive Engineering

AUT has been home to many talented scholars and scientists who have been recognized nationally and internationally.

Our objective and future goal is to direct our academia towards trans-disciplinary research in order to exploit knowledge and become a multicultural, cosmopolitan university that will promote entrepreneurship and develop open connections with global counterparts.

This workshop creates a platform for its participants to meet with top national and international researchers from well-known universities and institutions while trying to focus and report on top research in AUT. One of the other goals in this event is to help the joined scholars find financial support and maybe even creating new support opportunities for their new projects.

Registration

Interested scholars can participate in this workshop by registering online before the 1st of August, 2018.

For registration please visit our website at:

www.campus.aut.ac.ir/intrel/ and register under the AUT_InAPP tab

OR by scanning this QR code
